

## UT-Austin Selected SIGLENT Products to Outfit Labs

March 12, 2018

SIGLENT is proud to announce that the University of Texas at Austin, one of the top 10 engineering schools in the US, recently selected SIGLENT to outfit labs in the newly opened Cockrell School of Engineering. The recent purchase included SDG5000X, SDG2000X and SDG800 series function/arbitrary waveform generators; SDS2000X and SDS1000X-E series super phosphor oscilloscopes; SSA3000X Series spectrum analyzers; SDM3000X series dual-display digital multi-meters.

This latest installation of SIGLENT instrumentation adds to our growing list of world-renowned education and research orders, including: Harvard University, Massachusetts Institute of Technology, Princeton University, University of Cambridge, and Stanford University. And Siglent Technologies has been chosen as a finalist for the 2017 ACE Awards.

SIGLENT will commit to provide the best value products in electronic test & measurement.
