

## How do I save inverted (white background) images?

October 24, 2017

To save on printer ink, you can invert the image on your SDS2000X oscilloscope.

- Insert a USB memory device into the front panel USB port
- Press Save/Recall on the front panel

- Set Type to BMP
- Set Screen to Inverted

- Select Press To Save, name the file, and Press to Save to save the file to the USB memory device
