

SHS EasyScopeX Software control

April 05, 2021

EasyScopeX software can be used with SHS series handheld oscilloscopes to provide data save and screen capture functions.

The picture below shows the Wavetrace, oscilloscope screen capture (scope function, set manually on SHS front panel) and DMM screen capture (scope function, set manually on SHS front panel)

NOTE: EasyscopeX cannot be used to configure the oscilloscope or DMM. It can only be used to retrieve data and/or images.
