Revise History

Date	Version	Revision
6/7/2016	1.08.01.12R2	**It is strongly recommended to update to the latest release because in some previous release exists some serious bug which could cause the generator never startup** Fixed some bugs a) A bug in P12R1 which could cause the update to fail b) Some typo in English help system
3/7/2016	1.08.01.12R1	Fixed some bugs a) A bug in file system could cause the generator never startup b) Can not wake up from screen saver from time to time
11/9/2015	1.08.01.11	1. Re-open the self-calibration function 2. Fixed a bug which may cause the generator can not startup 3. Fixed some other bugs
